DENTISTRY ADMISSION AGREEMENT FORM

Dear Student,

Your registration into the Faculty of Dental Medicine and Oral Health Sciences is subject to the conditions specified below. Please complete this form and upload the original copy on your Slate account in order to confirm your admission.

NAME: _____
I.D. #: _____
ADDRESS: _____

Offer (a) The offer of admission to the Dentistry Preparatory Qualifying Year (or Dent-P Year) of the Faculty of Dental Medicine and Oral Health Sciences at McGill University is subject to the following conditions:

- 1. McGill University reserves the right to verify any information** submitted in your application and to withdraw the offer of admission or cancel

-> You understand that all vaccinations listed on the Immunization Requirements for New Students form are compulsory. For the purpose of verification of compliance with the immunization requirements, you grant permission to the Admissions Office to securely share your immunization form with McGill Student Wellness Hub.

-> You must provide, by July 31st of the year in which you are commencing the Doctor of Dental Medicine (D.M.D.), proof of certification in cardiopulmonary resuscitation (CPR), level C or C+, and automated external defibrillation (AED) training. Certification must be valid for at least the first year of your studies and granted, or fully recognized, by one of the following organizations: the Canadian Heart and Stroke Foundation, the Quebec Heart and Stroke Foundation, the Canadian Red Cross, St. John Ambulance, the American Heart Association, or the American Red Cross. Students are responsible for maintaining valid certification for the entire duration of the program, at their own expense.

-> You meet all other noted admission requirements as published by the Admissions Office (see <https://www.mcgill.ca/dentistry/dent-p/requirements>)

-> You understand that you will be expected to have proof of French proficiency (Level B2) by the time you begin the Clinical Practice courses at the start of the third year of the program (<https://www.mcgill.ca/dentistry/programs/language-proficiency>). Failing to attain proof of French proficiency by this time may affect your eligibility to remain in the DMD program.

-> The Faculty of Dental Medicine and Oral Health Sciences uses web-based courseware and examinations. Students will be required to be equipped with laptops that meet certain minimum requirements (word processing/office suite software, with compatible web browser (E-Curriculum), approximately 50 GB of free storage and Wi-Fi connection capabilities). It is strongly recommended to have the latest version of Firefox and Chrome, as well as an up-to-date antivirus software. Your personal device will also need to be equipped with the following operating system: Windows 7 or later / MAC OS X 10.8 or later, as well as a webcam and audio capability. A reliable high-speed internet connection is also required for possible online courses.

-> McGill places a high value on academic integrity in all facets of study. We advise you to learn more about this subject at the Student Rights and Responsibilities website: www.mcgill.ca/students/srr. McGill requires all newly admitted students to complete a short tutorial on academic integrity before the beginning of September. This is accessible under the Student Menu on Minerva.

-> Undergraduate Dental Education at McGill University includes teaching and clinical activities at various sites within the Montreal area.

-> Students registered in the undergraduate dental education program are subject to the published policies, including, but not limited to:

- a. Academic standards
- b. The Faculty of Dentistry Professionalism Standard
