8. Click the Options menu and select Document Text [FOATEXT].
9. The deposit now has a unique Document Number (HXXXXXXX) which appears in the Code field. If depositing a cheque, write this Document Number on the back of the cheque.

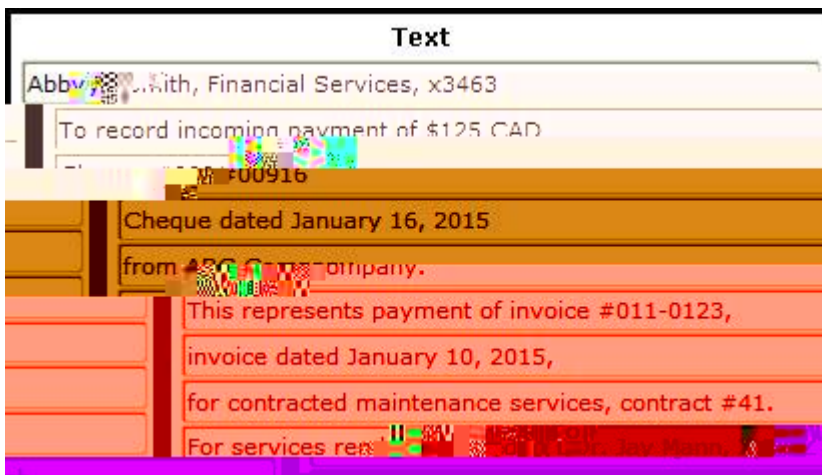

10. Click on the Next Block icon or use Ctrl- Page Down if you prefer using the keyboard to go to the Text lines.
11. Enter the document text for this deposit - describe the purpose:
    Line 1: Name, unit, and contact number of the individual who is preparing the document.
    Line 2 (3,4,etc): Explain why this deposit is being processed. It must include the following information:
    1. Payer - Enter the name of the individual/organization from whom the funds were received.
    2. Sales Reference Number - Source documents concerning all receipts (taxable or exempt) are required to be kept for audit purposes. The sales reference number requires that the department can relate it back to the source document(s). Typical examples of documents that support receipt of funds include: contracts, cash register tapes, copies of receipts. It is the responsibility of departments to ensure that they maintain adequate records and retain these for seven years.
    3. Purpose of Receipt - Indicate a descriptive purpose of the receipt (e.g., room rental, research grant instalment, etc.).

    Avoid using acronyms. If preparing a deposit for credit card sales, do not include the credit card information.

    There is a maximum limit of 50-characters per line with no text-wrapping.
