**WORKSHOP – PLEASE PREPARE A SHORT PRESENTATION**

We hold our traditional workshop on Friday afternoon in the beautiful premises of the Czech Senate (www.senat.cz). Please be prepared to talk for approximately 5 minutes about an air and space law topic of your choice (e.g. a case you are handling or a project). A certain degree of flexibility is called for as it is not possible at this stage to plan the workshop part of the programme exactly, simply because we do not know the numbers of participants yet.

**REGISTRATION FEE**

In the past we want to keep the registration fee affordable. Jiri's firm Kocián Šolc Balaščík has already kindly agreed to sponsor the welcome dinner and an Jiri is still working on obtaining additional sponsorship. The registration fee of roughly EUR 150 will cover all parts of the programme, to include meals and transportation (possibly with the exception of lunch and museum entrance fees on Saturday). Jean-Michel Fabe, '86, our Treasurer, will collect the registration fee from you in Prague.

If you are planning to attend the 12<sup>th</sup> Biennial Meeting in Prague you will have to take the following steps:

**REGISTRATION**

Please fill in the registration form at the bottom of this letter and return it to the address indicated in the form as soon as possible, in any event not later than 10 April 2010.

**ACCOMMODATION**

We have made block reservations at two hotels that are very conveniently located in central Prague. You will find the booking forms attached. Please make your bookings at your earliest convenience. Jiri is currently talking to the hotels in order to get the deadlines extended.

**PLEASE KEEP US UPDATED ABOUT YOUR CONTACT DETAILS**

Please keep us informed about any change of contact details if you wish to remain on our mailing list.

We cordially invite all of you (and your partners/spouses and children, too) to join us for the 12<sup>th</sup> Biennial Meeting of the Association of European Alumnae and Alumni of the Institute of Air and Space Law of McGill University.

With best regards,

Michael Ehlers, '86  
Secretary

Jiri Hornik, '00  
President-Elect
