

When to apply for EEO Bursaries:

To help with your financial plan, you may apply anytime in the academic year to gain an idea of how much aid you could receive. Final bursary assessment can only take place once your plans are firm with supporting documentation.

How to apply to the EEO Bursaries

You can request an EEO Bursary through the normal Bursary Financial Aid process. More detailed steps are available on our dedicated website <https://www.mcgill.ca/studentaid/specialfunding/eo>
