

Financial Aid Roadmap for Parents/Guardians

To help your student focus on their studies and

Our Financial Aid Counsellors

For students who want financial advice pertaining to costs related to their studies, we invite them to schedule a Budget and Debt Management appointment with one of our Financial Aid Counsellors.

Other ways to help

In addition to your monetary contributions, you can help your student by:

- x completing the parental section of their government aid application accurately and promptly;
- x being candid about the amount of support you can provide; and
- x encouraging them to be active in and responsible for their own financial planning.
