1 About Desautels Faculty of Management

For over a century, the Desautels Faculty of Management has been among the top international business schools. The Faculty is home to 10 research centres, four unique executive development programs, and 11 academic programs with 3,500 students at the graduate, master's, executive, and Ph.D. levels. Nearly half of the Faculty's students and 80% of its tenured professors come from outside of Canada, creating a truly rich global learning environment.

2 History of the Faculty

Management education began at McGill University in 1906. The department of Commerce was first established within the Faculty of Arts, offering commercial courses to train people as accountants, clerks, and the like. In 1912, the Commerce Program was named the School of Commerce, and the first B.Com. degrees were awarded by McGill in 1915. Five years later, McGill's School of Commerce was founded, independent of the Faculty of Arts. In 1972, the Samuel Bronfman Building, now home to the Desautels Faculty of Management, was opened at 1001 Sherbrooke Street West at the heart of downtown Montreal. A generous donation from the Bronfman family made the construction of the building possible. The Bronfman family is well known for their Seagram Company.

More than a century later, foundations for a world-class business school expanded to offer a B.Com. program; an M.B.A. program; specialized master's programs; M.B.A. Japan, the first Canadian graduate program offered in Japan; a joint bilingual E.M.B.A. with HEC Montréal, a program first of its kind in North America; a Ph.D. program; and numerous executive programs. On November 17, 2005, a landmark gift of \$22 million from the Canadian Management Foundation through Marcel Desautels was donated to the Faculty, ushering in a new era in business education at McGill. The gift fostered changes to its facilities, ramping up the B.Com. and M.B.A. curriculums, and hiring of professors. In honour of his gift, the Faculty was named the Desautels Faculty of Management.

3 Facilities

Management courses are mostly taught in the Samuel Bronfman Building. The seven-story building is located at 1001 Sherbrooke Street West, on the south-west corner of McGill's downtown main campus. The building is adjacent to McGill's Bookstore, McLennan, and Redpath Libraries, and the Service Point across the street. Furthermore, the Bronfman Building borders the main campus and other university buildings. It is a walk away from McGill's Athletics Complex.

In recent years, the Bronfman Building has witnessed major upgrades, including, thanks to Hensler's generosity, a complete renovation of the lobby and bistro. Thanks to Marcel Desautels, numerous learning-friendly

If you are taking the Minor, Major, or Honours in Economics, you must see an adviser in the BCom Student Affairs Office for approval of your program and course selection.

If you are in the Major concentration or Minor in Mathematics, or Statistics, you must have your program of study initially authorized by the appropriate department adviser prior to consulting with a student adviser in the BCom Student Affairs Office.

You should contact a student adviser as soon as possible if you are encountering difficulties (academic or personal) or are requesting specific information about the BCom program.

6.5 Registration

It is your responsibility to register on time. Failure to register for courses when the registration periods begin may delay graduation and completion of program requirements. Space is limited.

Registration for Fall and Winter courses will begin in late March and early April for BCom students. Priority registration in Management courses for Summer opens in early March. Exact dates may be obtained from www.mcgill.ca/importantdates

BCom students who are unable to register for required or complementary courses that they need in order to graduate on time should submit a copy of the Closed Management Course Request Form to the BCom Student Affairs Office with a copy of their Degree Evaluation and any relevant supporting documentation. During the add/drop periods, you must meet with an adviser. Closed Management Course Request Forms will not be accepted. Exact deadlines may be obtained from www.mcgill.ca/importantdates

A maximum of 6 credits will be granted for ECON 330D1/ECON 330D2, ECON 352D1/ECON 352D2, and ECON 295. ECON 208 and ECON 209 are not permitted in the 90-credit program.

6.7 Course Taken Under the Satisfactory/Unsatisfactory Option

You may select or cancel the S/U option only during registration or the add/drop period through a request to the BCom Students Office. All S/U credits will be excluded when calculating the Grade Point Average. This option may only be used for elective courses, one course per term, to a maximum of 10% of the total credits taken at McGill to fulfill your degree requirements. Careful consideration should be given before using this option as it affects scholarship and award consideration, where a minimum of 27 graded credits are required, as well as future admission to graduate schools.

For more information and restrictions, refer to Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option in the University Regulations and General Information section of this publication.

- All courses are approved.

Appeals for readmission by students in Unsatisfactory Standing should be addressed to the Director of the BCom program, no later than July 15 for readmission to the Fall term and November 15 for the Winter term. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (i.e., medical or other documentation) along with reassurances of future improvement. If you are in Unsatisfactory Standing for the second time, you must withdraw permanently.

You will be placed in Unsatisfactory Standing (Winter or Summer term) or Interim Unsatisfactory Standing (Fall term) if your CGPA falls or remains below 1.50.

If you were previously in Probationary, Unsatisfactory Readmitted, or Interim Unsatisfactory Standing, you will be placed in Unsatisfactory Standing if your TGPA falls below 2.50 and your CGPA is below 2.00.

If you were previously in Unsatisfactory Standing and you were readmitted to the BCom program by the Director and you have at least satisfied the conditions to attain Probationary Standing that were specified in your letter of readmission, you will be placed in Probationary Standing.

6.9.5 Incomplete Standings

Standing waits deferred exam.

Standing Incomplete

If you have an Incomplete Standing in the Winter or Summer term, you may re

Students in an honours program whose A/GPC/GPA is below 3.0, or who did not satisfy certain additional program requirements, must consult their student adviser to determine whether they are eligible to graduate in a program other than honours.

7.4 Awards and Honorary Designations: Distinction

For information on the designation of Distinction awarded at graduation, see Distinction in the University Regulations and General Information section of this publication.

7.5 Awards and Honorary Designations: Dean's Honour List

For information on the designation of Dean's Honour List awarded at graduation, see Dean's Honour List in the University Regulations and General Information section of this publication.

7.6 Awards and Honorary Designations: Scholarships, Prizes, and Medals

Various scholarships, prizes, and medals are open to returning and graduating students. Full details can be found in the Graduate Scholarships and Awards Calendar available at www.mcgill.ca/students/coes/calendar. For information, see University Regulations and General Information > Scholarships and Student Aid.

As a registered student, you are automatically considered by the Graduate Scholarships Committee for each award for which you are eligible, with the following exceptions for in-course scholarships: James Hartt Schurman Merit Award, RioTinto Alcan Richard Evans International Exchange Award, Dany and Monica Gold Award for Academic Excellence, Hundredth Anniversary MUS Graduating Class of 2007 Scholarship, Wellington BMO Financial Group Awards, KPMG Scholarship, Commerce '55 Scholarships, Hyman Herbert Award, Donald R. 8.1.1 Minors/Minor Concentrations for Management Students

Although only the Mathematics and Statistics Minors are outlined in this section, a variety of programs are available as listed in the sections for the Faculties of Arts and Science. Popular choices include Anthropology Canadian Studies, Computer Science, English Literature Environmental Studies, Geological Sciences, German, History International Development, Political Science Women's Studies, etc. Students interested in the Minor in Economics must see an adviser in the BCom Student Affairs Office for Faculty approval.

It should be noted that a minimum of 18 credits of the Minor's requirements must not overlap with any other part of the student's program.

8.3 120-Credit Program, Freshman Course Distribution

Students admitted to a program requiring 97-120 credits (four years) in a Freshman Year in which they must complete MATH 122 and MATH 123 (or equivalents) as well as the 12 credits of complementary courses specified below

A minimum grade of C is required for all MATH and Freshman complementary courses.

Please note that you are responsible for ensuring that the prerequisites and corequisites of all courses (required and complementary) are satisfied.

The Freshman Course Distribution is as follows:

U0 Required Courses (12 credits)

MATH 122 ¹	(3)	Calculus for Management
-----------------------	-----	-------------------------

Program Footnotes:

1. Students considering a major concentration in Mathematics, a major concentration in Statistics, or a minor in Statistics must take MGCR 271 by MATH 324. Students considering an honours or joint honours program in Economics replace MGCR 271 with ECON 257D1/ECON 257D2. Students entering the Major in Economics will only count the 3 credits of MGCR 271 in core.
2. Students entering an Economics program accepted from MGCR 293 by either ECON 230D1/ECON 230D2 (for the Majors program) or ECON 250D1/ECON 250D2 (for the Honours program), and accepted from ECON 295 in U2 by either ECON 330D1/ ECON 330D2 (for the Majors program) or ECON 352D1/ ECON 352D2 (for the Honours program) in U2.

Also note that:

A maximum of 6 credits will be permitted within the BCom program for MGCR 293 and ECON 230D1/ECON 230D2 or ECON 250D1/ECON 250D2.

A maximum of 6 credits will be permitted within the BCom program for ECON 295 and ECON 330D1/ECON 330D2 or ECON 352D1/ECON 352D2.

8.5 Concentrations (General Management Major)

In order to complete a concentration, students must achieve a grade of C or better in all the courses that comprise the concentration. Students who do not earn 15 satisfactory credits will be required to embark on a new concentration, repeat the course(s) in question where possible, replace the course(s) with a satisfactory substitution from the complementary courses of the concentration.

In general, students will be taking courses from the chosen concentration(s) in the U2 year

Academic mentors are appointed for each Management concentration to assist students in choosing a concentration and provide additional information regarding course selection.

Second Concentration:

Students who choose to take a second concentration will be required to complete 15 overlapping credits at a satisfactory level with a minimum grade of C in each course.

8.5.10 Bachelor of Commerce (B.Com.) - Concentration in Strategic Management - Global Strategy (15 credits)

Mentors: Professors L. Chauvin, Perez-Aleman

There are two options offered in the Strategic Management Concentration: Global Strategy and Social Context.

The Global Strategy option is intended for students who want to learn strategic management and analysis in the context of globalization. Globalization is no longer the concern of a few large enterprises and financial institutions; it has consequences for all kinds of businesses and the environments in which

they operate - economic, social, political, and ecological. Global Strategy allows students to assess the various opportunities and threats inherent in globalization, and requires them to explore the consequences and implications of business decisions for society and the environment. It also enables them to think through the requirements of doing business in different economic and political systems. Finally, it offers them the opportunity to understand and analyze industry structures and the kinds of business opportunities they either create or destroy.

Complementary Courses

At least 9 credits selected from the following:

MGPO 383	(3)	International Business Policy
MGPO 445	(3)	Industry Analysis & Competitive Strategy
MGPO 460	(3)	Managing Innovation
MGPO 469	(3)	Managing Globalization
MGPO 470	(3)	Strategy and Organization

The remaining credits to be chosen from:

BUSA 391	(3)	International Business Law
ECON 219	(3)	Current Economic Problems/Topics
ECON 305	(3)	Industrial Organization
MGPO 365	(3)	Business-Government Relations
MGPO 434	(3)	Topics in Policy 1
MGPO 440	(3)	Strategies for Sustainability
MGPO 450	(3)	Ethics in Management
MGPO 468	(3)	Managing Organizational Politics
MGPO 475	(3)	Strategies for Developing Countries

8.5.11 Bachelor of Commerce (B.Com.) - Concentration in Strategic Management - Social Context (15 credits)

Mentors: Professors L. Chauvin, Perez-Aleman

There are two options offered in the Strategic Management Concentration: Global Strategy and Social Context.

The Social Context option is intended for students who want to learn strategic management and analysis with special attention to the nonprofit or civil sectors, or who want to focus on broader or more complex social issues within the for-profit sector. The civil sector made up of voluntary and non-governmental organizations and foundations, is the sector that has become the fastest growing employer for the past decade. Students who focus on this stream will be challenged to place a high priority on environmental issues, as well as issues of sustainability, corporate social responsibility, and social impact. They will also investigate the social tools and mechanisms necessary to promote cross-sectoral collaboration to achieve desired social outcomes.

Complementary Courses

At least 9 credits selected from the following:

MGPO 365	(3)	Business-Government Relations
MGPO 440	(3)	Strategies for Sustainability
MGPO 450	(3)	Ethics in Management
MGPO 468	(3)	Managing Organizational Politics
MGPO 475	(3)	Strategies for Developing Countries

The remaining credits to be chosen from:

8.6 Minors for Management Students

The Minor programs offered in the Faculties of Arts and Science may be taken in conjunction with a BCom program.

Students doing a Minor program must visit a Desautels Faculty of Management Minor Approval Form, listing the courses being applied to the Minor, signed by the Minor adviser in the relevant department.

For the Minor in Economics, students must complete 18 credits of material that does not overlap with Management course content. A maximum of 6 credits will be permitted within the BCom program for MGCR 293 and ECON 230D1/D2 or ECON 250D1/D2, and a maximum of 6 of ECON 295 and ECON 330D1/D2 or ECON 352D1/D2. Students interested in this Minor must obtain approval from the BCom Office.

The Minor in Mathematics and the Minor in Statistics are detailed in this publication. For other Minors, please refer to the Faculty of Arts and Faculty of Science sections of this publication. Students should give the Minor in Mathematics or the Minor in Statistics no later than the second-to-last year and should immediately consult the appropriate adviser in the Department of Mathematics and Statistics.

Students planning to take the Minor in Statistics are advised to substitute MATH 324 for MGCR 271. That course will then count as 3 credits toward the Minor. If the decision to take a Minor program is made after MGCR 271 has been taken, students who wish to take MATH 324 will receive three additional credits; however, MATH 324 will only count toward the 18-credit Minor requirement. Students should check for overlap between Statistics courses with the BCom Student Affairs Office.

8.6.1 Bachelor of Commerce (B.Com.) - Minor Mathematics for Management Students (18 credits)

Mentors: Professor A. Hundemer and A. Kelome, Department of Mathematics and Statistics, Faculty of Science

MATH 525	(4)	Sampling Theory and Applications
MGSC 575	(3)	Applied Time Series Analysis Managerial Forecasting
MGSC 578	(3)	Simulation of Management Systems

** Students should consult the rules for credit for Statistics courses in the [course](#) section of this publication. In particular, MATH 204 cannot be taken for credit after credit for MATH 324 has been obtained.

8.7 Minors for Non-Management Students

The Desautels Faculty of Management has introduced four minors that allow undergraduates to develop a variety of managerial skills that will serve them throughout their chosen careers. The minors have limited enrolment. Applicants for the minors must have a minimum CGR of 3.0 although successful completion of the minimum requirements does not guarantee acceptance. All minors are 18 credits split between a set of required courses and a choice amongst complementary courses. Students can only pursue one of the minors offered by the Desautels Faculty of Management. On an exceptional basis, students may be permitted a maximum of one Continuing Education course for credit within their chosen Management Minor.

non-Management students require an application form. The form may be found at www.mcgill.ca/desautels/bcom/prospective_students/minor. Hard copies of application forms are also available in the BCom Student Affairs Office, Bronfman 110. Applications must be submitted to the BCom Student Affairs Office by January 30 and decisions will be made by February 15, whereby students will be informed via their McGill email addresses. Courses for minors must be passed with grades of C or better. Courses for minors cannot be taken under the Satisfactory/Unsatisfactory option.

8.7.1 Minor Finance (For Non-Management Students) (18 credits)

The Minor Finance consists of 18 credits of Management courses offered to non-Management students in the Faculties of Arts, Engineering, and Science.

The Minor has been designed to provide students with an understanding of the concepts in corporate finance as well as investment banking.

Required Courses (9 credits)

FINE 342	(3)	Finance 2
FINE 441	(3)	Investment Management
MGCR 341*	(3)	Finance 1

Complementary Courses (9 credits)

8.9 Honours

An Honours program is available in Economics and Investment Management. Joint Honours programs are available in Economics and Accounting and in Economics and Finance.

The difference between the Honours and Major programs is not one of quantity but of quality; the Honours program involving study in greater depth. Students normally register for the Honours programs in U2. Special arrangements may be made for students wishing to enter the program in the first semester of U2.

Graduation with an Honours standing normally requires a minimum CGPA of 3.00 and an average of 3.00 in the specified courses of the Honours programs, although academic units may set higher requirements for their programs. The minimum grade acceptable in an Honours course is B-, although academic units may set a higher requirement for grades in their program.

Honours students who satisfy the 6-credit Statistics requirement by taking MGCR 271 and MGSC 372 (or ECON 227D1 & D2) must complete ECON 468 and ECON 469 to fulfill the program requirements in Economics for the following programs: Honours in Economics for Management Students, Joint Honours in Economics and Accounting, and Joint Honours in Economics and Finance.

The B.Com. Joint Honours in Economics and Finance requires the completion of 30 credits of Honours Economics courses (9 credits of which are counted as core credits) and 24 credits in Finance. This program is designed to take advantage of both McGill's Finance and Economics courses to produce a student who is well trained in these two complementary areas.

Calculus 1 and 2 are required for entering this Honours program. Please consult the section "120-credit program, Freshman courses for a detailed explanation regarding Calculus 1 and 2. It is also important to check on its statistics requirements, which are listed on the Department's website at <http://www.mcgill.ca/economics>.

To earn the Honours in Economics and Finance designation, students must maintain a minimum GPA and maintain a minimum program average of 3.00. Students must achieve a grade of B- or better in all Finance courses.
